

ACADEMIC STANDARDS

The following degree requirements apply to all students proceeding to a degree through the College. It is the responsibility of the student to ensure that courses are selected in accordance with current degree/certificate and program requirements.

A. General

The following regulations apply to students taking courses at Atkinson College. Applicants seeking admission are referred to the Regulations Governing Admission to Atkinson College of York University.

1. All students are required to:

- (a) observe the regulations of the College and the University. Changes become effective as announced.
- (b) maintain a satisfactory standard of work. All term work must be submitted by the dates specified by the course director. Normally all term work must be submitted before the day of examination.
- (c) have discharged all financial liability to the University prior to graduation.

2. Candidates admitted to an Atkinson Degree program are required to:

- (a) have been admitted to York University as degree students.
- (b) satisfy all the co- and prerequisite(s) for courses selected for enrolment.
- (c) satisfy the program and degree requirements for one of the following degrees:

- BA
- BA (Honours)
- BAS
- BAS (Honours)
- BSc
- BSc (Honours)
- BScN (Honours)
- BSW (Honours)

3. Choice of major program. Students can obtain sample programs of study outlining the degree, certificate and program requirements from the Office of Student and Academic Services, Room 123 (416) 736-5222. FAX: (416) 736-5923.

4. Major disciplines not offered in the College. Students may choose a major discipline not listed in the College offerings but available in another academic division of York University. The approval of the Office of Student and Academic Services and the appropriate Chair in the other academic division is required.

5. Course Numbering. Courses listed in this calendar have the form: AK/ADMS 2500 3.0 which contains the following key parts: AK = the designation of the Faculty offering the course (here, Atkinson); ADMS = the prefix of the teaching unit offering the course (here, Administrative Studies); 2500 = the number of the course, the first digit identifies the level of the course (here, 2nd year); and 3.0 = the suffix indicating the 'credit value' of the course.

6. Definition of Course Credits. Normally, a course designated 3.0 carries 3 credits; 6.0 carries 6 credits etc.

7. Residency Requirement. In order to be eligible to receive a degree from Atkinson College, at least 30 credits not used toward another academic program are to be taken at York University. Major requirements: at least half (50%) of each Atkinson major requirement must be taken at Atkinson College. (Note: the major requirement will

vary in accordance with the number of credits required by each program. Residency requirements for the BSc degree may include 3000- or 4000-level Faculty of Science courses.

8. Cross-Listed Courses. Some courses in Atkinson College are cross-listed: that is, they are offered jointly by two or more academic departments/Faculties.

(a) Cross-listed courses may not be double counted in order to fulfill degree requirements;

(b) Cross-listed courses may not be used to fulfill Outside Elective requirements in the programs offering the cross-listing. For example, AK/SOSC 3370 6.0 may not count as an Outside Elective for students majoring in Women's Studies, and AK/WMST 3370 6.0 may not count as an Outside Elective for students majoring in Social Science. In the Liberal Studies program, cross-listed courses may not be used to exceed 24 credits from any one discipline. Students intending to register in 'cross-listed' courses should be sure to consult the relevant department/Faculty concerning academic session start dates.

9. Students who do not wish to pursue a degree program may request admission to the University under one of the Non-degree categories:

(a) special students: university degree holders doing post-degree courses for their own interest or for professional upgrading;

(b) students on a Letter of Permission from their home institution

Special students admitted to Atkinson College may:

(i) enrol in degree credit courses providing they meet the published co- and prerequisite(s), or obtain permission of the Chair of the discipline concerned;

(ii) not register in a course equivalent to one already completed.

10. Audit a Course. With the permission of a course director, an auditor attends classes and participates in a course in the same way as other students, but does not submit assignments or write tests or examinations. Further information about admissibility, application procedures, courses available, and fees may be obtained at the Office of the Registrar, West Office Building, (416) 736-5440.

11. Enrolment. Enrolment is the act whereby eligible students place themselves or are placed in a Faculty, program or course during an academic session.

12. Course Conflict. Students who enrol in more than one course on the same day and time in the same academic session may be de-enrolled from the conflicting course(s), normally the last course in which the student enrolled. It is a student's responsibility to ensure that his/her schedule is conflict-free.

13. Registration. Registration in an academic session requires that a student satisfy the academic requirements for enrolment in a chosen program, be enrolled in an academic program for credit, and has paid fees, or made arrangements with the University for the fees to be paid, or exhibited such other intention to pursue a course of studies as may be determined to be sufficient from time to time. Evidence of a student's intention to pursue a course of studies at York includes other significant payments to York made within the current academic session or significant participation in the academic program in which the student is enrolled.

14. Repeating Courses:

(a) Students are allowed to retake a failed course once for academic degree or certificate credit. Students can retake a passed course once for academic degree or certificate credit, only if the student has failed to achieve sufficient standing to proceed in a core or prerequisite course in a degree or certificate program and if no alternative remedies are provided (e.g. alternate qualifying exam). Students should note that course availability and space considerations may preclude the possibility of repeating a course in the Session they choose.

(b) When a student is allowed to repeat a course for academic degree or certificate credit, both grades are calculated into the grade point average. A course can be credited only once towards satisfaction of degree or certificate academic credit requirements.

(c) Failed or passed courses which are repeated will be included on the transcript with the original grade. Courses which have been repeated will have the notation 'NCR' (no credit retained). Clarification: in the interests of clarity, this notation will be changed to 'REP' (Repeated) and will be noted beside the first occurrence of the course on a transcript.

(d) BSW majors who receive a failing grade in AK/SOWK 4000 6.0, may be permitted to enrol in a second and final field placement only upon agreement of the majority of the full-time Social Work faculty.

15. Second degrees

(a) A student holding a university undergraduate degree may apply for admission to studies leading to a second degree. Such students must be admissible to the College.

(b) Atkinson graduates may apply for entry into a second Bachelor degree program or they may request reclassification of their Bachelor degree to Honours* (see Section D). A minimum of 30 **NEW** credits must be completed for a second Bachelor or Honours degree at York University (same or different major) including half the major from Atkinson. The general regulations on advanced standing would apply in all cases. The maximum number of new courses is also determined by the degree and program requirements of the College.

* *The residency requirement for Atkinson graduates proceeding to a first Honours degree in the same major must still be satisfied, including the residency requirement in the major.*

16. Subsequent degrees. Students wishing to pursue a third or subsequent undergraduate degree must petition the College Council (see Section G.) for permission. It is the responsibility of the student to justify his/her desire to enter a third or subsequent undergraduate degree program, and to demonstrate why his/her educational aims could not be fulfilled in a non-degree or graduate program.

17. Courses Taken Outside the College

York University Courses. Atkinson degree candidates may enrol in courses offered by other York University faculties provided they meet the publicized co- and/or prerequisite(s). Students are responsible for ensuring that these out-of-Faculty courses meet Atkinson degree and program requirements.

Non-York Courses. Atkinson degree students may request a Letter of Permission to complete course work at another recognized institution of higher learning. In the case of non-Atkinson correspondence courses a maximum of twelve credits are allowed in a degree program. Students in non-degree programs, i.e. special students, are not eligible for Letters of Permission.

It is the responsibility of the student to ensure that:

- i) courses completed on a Letter of Permission meet her/his program requirements;
- ii) an official transcript is forwarded to the Office of the Registrar as soon as final grades are available.

General Information and Regulations:

- submit Letter of Permission request to the Office of the Registrar, West Office Building;
- approval for courses must be granted prior to taking courses at external institutions;
- students must be in good academic standing in order to be approved for a Letter of Permission;
- if a student does not register for the courses or if he/she does not complete the approved courses, the student must provide the Office of the Registrar with documentation from the host institution declaring that the student did not register at that institution or withdrew from the courses without academic penalty;

- grades for courses taken at external institutions are not listed on York University transcripts and are not included in the calculation of the York grade point average;
- Letters of Permission may be granted for courses accepted for credit in a degree program at the host institution;
- a Letter of Permission will not be issued to a student proceeding with an academic warning. If a student receives an academic warning, or is ineligible to proceed at the conclusion of the current session, the Letter of Permission will be rescinded;
- students holding a valid Letter of Permission must arrange for an official transcript to be sent to the Office of the Registrar once the course has been completed at the host institution. Credit is granted when an approved course is successfully completed, with a minimum grade of C (60%). A C+ (65%) is required for major courses in the BAS and all Honours programs.

Note 1: Although course credits earned at previous institutions of higher learning are transferred and eligible credits recorded on the student's academic record at York University, the grades earned in these courses are not transferred or recorded. Only the grades earned at York University are used in computing the classification of a student's degree.

Note 2: Students who receive a Letter of Permission to take their last course(s) at another institution should not, normally, expect to graduate at the Convocation directly following the session in which the Letter of Permission was issued.

18. Faculty Transfers

Students who were last registered in an undergraduate degree program in another Faculty of York University, and who wish to transfer to Atkinson College must submit a Faculty Transfer Request form (available from all Faculties, or the Office of the Registrar) to the Office of the Registrar, West Office Building. Refer to Section D for degree/program academic standing requirements.

19. Undergraduate Year Level and Student Progress. Definition of Undergraduate Year Level and Student Progress

Credits Earned	Study Level
0 - to less than 24 credits	Year 1
24 - to less than 54 credits	Year 2
54 - to less than 84 credits	Year 3
84 or more credits	Year 4 (Honours programs only)

Note: Bachelor programs never go beyond Study Level 3, regardless of number of credits earned.

20. Course Load For Atkinson College Students

Fall/Winter Session:

- Students make take up to and including 30 credits without permission.
- 33 - 35 Credits during the Fall/Winter Session will be approved if the student has:
 - (a) at least 30 credits completed at York University.
 - (b) a cumulative GPA of 7.0.
- 36 - 42 credits may be taken during the Fall/Winter Session if the student has:
 - (a) at least 30 credits completed at York University.
 - (b) a cumulative GPA of 8.0.

Note: Where permission is required, students should first contact the Office of Student and Academic Services.

Winter or Summer Session:

- Students may take up to and including 15 credits* without permission.
- 18 credits* may be taken during the Summer Session if a student has:
 - (a) at least 30 credits completed at York University.
 - (b) a cumulative GPA of 7.0.

**Only 12 credits may be taken concurrently (except for the Summer DAY sessions where students are limited to one half or one full course each term.) See section 12 also.*

- 21 credits may be taken during the Summer Session if a student has:
 - (a) at least 30 credits completed at York University.
 - (b) a cumulative GPA of 8.0.
- 24 credits may be taken during the Summer Session if the student has:
 - (a) at least 30 credits completed at York University;
 - (b) a cumulative GPA of 8.0.

Note: Where permission is required, students should first contact the Office of Student and Academic Services.

21. Examinations

Students must write the examinations on the announced dates.

The language(s) of instruction is (are) normally the language(s) of examination. Other arrangements may be made in special cases, if application is submitted to the College at least one month before the examination.

Some final examinations could take place in a different room and on a different day from the regularly scheduled class. Check the published Examination Schedule for a complete list of days and times.

Students who have examination conflicts due to religious observances can fill out a request to write an examination at another time. Forms are available in the academic departments.

22. Deferred standing and aegrotat standing**

Deferred Standing permission for students to defer writing a test or examination scheduled for one of the formal examination periods or to complete course work or practica after the Faculty's deadline for completion of term work. Missed term work including term tests/examinations may be made up and arranged directly with the course director.

Note 1: Atkinson students in York courses other than Atkinson courses must submit petitions for deferred standing through the Atkinson Council Office in accordance with the deadlines/regulations of the Faculty offering the course.

*Note 2: Students who are too ill to attend an examination **SHOULD NOT** attempt to do so; they must pursue a deferment.*

In cases where students, for reasons of serious illness or injury, cannot be expected to complete the work for a course, "Aegrotat Standing" may be granted by a Faculty committee. The grade qualifier "AEG" appear on the transcript. Aegrotat standing is available only in instances where deferred standing is not a reasonable option due to the nature and extent of the student's illness/injury; Aegrotat Standing is rarely granted.

23. Grade Reappraisal**

The re-evaluation of tangible work and the grade assigned to it. Tangible work may include written, graphic, digitized, modelled, video recording or audio recording formats, but not oral work.

Note: Students need to be aware that a request for a grade reappraisal may result in the original grade being raised, lowered or confirmed.

(**For more information on petitions and reappraisals, refer to Section G. "Petitions, Grade Reappraisals, Appeals", and to the University policies on Petitions and Reappraisals under the University Policies and Regulations section of this Calendar.)

B. Grading

1. All course grades, including those assigned after a deferred examination(s) are derived from an evaluation of examination and term work, unless otherwise decided by the College Council on the recommendation of the course director. The weighting of these two portions is set by the course director and announced early in the course (See Section C also).

2. With the exception of courses explicitly required for certification by a professional body, or other exceptions agreed to by Senate, students pass or fail a course on the basis of final course average, without the additional requirement of having to obtain a passing grade on a final examination. (*This does not preclude the possibility of a final examination representing more than 50% of the final grade in a particular course or the requirement that a student pass a specific course lab component.*)

3. Unless Senate agrees to explicit exemptions, eligibility to proceed in or graduate from an undergraduate degree program will not be based on a minimum grade requirement for each major course. (It should be noted that this does not preclude setting requirements for a minimum cumulative grade point average in a major or minor subject area. Nor does this preclude setting individual course grade requirements when a course is a prerequisite for upper level courses or as part of a "Core" requirement. Understanding: Certificate programs, like "core" requirements in undergraduate degree programs, are not covered by this regulation.)

Course grades are not official until approved by the Committee on Examinations and Academic Standards.

4. The letter-grade system is the fundamental system of assessment of performance in undergraduate programs at York University. The grades are defined as follows:

A+ Exceptional. Thorough knowledge of concepts and/or techniques and exceptional skill or great originality in the use of those concepts, techniques in satisfying the requirements of an assignment or course.

A Excellent. Thorough knowledge of concepts and/or techniques together with a high degree of skill and/or some elements of originality in satisfying the requirements of an assignment or course.

B+ Very Good. Thorough knowledge of concepts and/or techniques together with a fairly high degree of skill in the use of those concepts, techniques in satisfying the requirements of an assignment or course.

B Good. Good level of knowledge of concepts and/or techniques together with considerable skill in using them to satisfy the requirements of an assignment or course.

C+ Competent. Acceptable level of knowledge of concepts and/or techniques together with considerable skill in using them to satisfy requirements of an assignment or course.

C Fairly Competent. Acceptable level of knowledge of concepts and/or techniques together with some skill in using them to satisfy the requirements of an assignment or course.

D+ Passing. Slightly better than minimal knowledge of required concepts and/or techniques together with some ability to use them in satisfying the requirements of an assignment or course.

D Barely Passing. Minimum knowledge of concepts and/or techniques needed to satisfy the requirements of an assignment or course.

E Marginally Failing.

F Failing.

5. Below are the letter grades, and the point values used for calculating the average performance:

LETTER GRADE	DEFINITION	POINT VALUE
A+	Exceptional	9
A	Excellent	8
B+	Very Good	7
B	Good	6
C+	Competent	5
C	Fairly Competent	4
D+	Passing	3
D	Barely Passing	2
E	Marginally Failing	1
F	Failing	0

Note: The point values in the last column above are used only in calculating students' Grade Point Averages, both sessional and cumulative; they were not designed to be used to calculate marks in courses.

6. Percentage Equivalents Grades to Letter: Atkinson College uses a letter grade system of grading. See Section C for information on conversion from percentages to letter grades within courses.

7. Grade Point Averages (GPA's): Atkinson College calculates Grade Point Averages for each student by averaging the point values shown in the last column above, weighted by full and half courses. The averages are calculated to three decimal points and are rounded up to two decimal points. (Faculties may elect to have the selected documents display the grade point average showing either one or two decimal points of the final calculation.) Three kinds of grade point averages exist:

(a) Sessional Grade Point Average reflects a student's grades for a particular academic session (e.g. Fall/Winter 1998-99).

(b) Major Grade Point Average: The Major GPA reflects a student's academic average in his/her chosen major. (See Section D for minimum GPA requirements in the major).

(c) Cumulative Grade Point Average: The Cumulative GPA is calculated on all courses relevant to the student's program of study. See Section D for minimum cumulative GPA requirements.

8. Passed Courses: A passed course is one in which the student has achieved a grade of D or better.

9. Failed Courses: There are two categories of failed grades in Atkinson College: E (marginal failure) and F (failure).

10. Pass/Fail Alternative Grading Option: Students in good standing who have completed a minimum of 24 credits are allowed to take up to 12 credits on an ungraded basis (Pass/Fail Alternative Grading Option) toward an Honours degree or 6 credits toward a Bachelor degree. The Pass/ Fail Alternative Grading Option cannot be used for courses taken to satisfy major, minor, General Education, Certificate requirements or 1000-level Science courses.

The ungraded option must be requested from the Course Director/Instructor on a "Pass/Fail Option Application Form" (available from the Office of the Registrar, West Office Building) within the first two weeks of class for the specific course. The completed form must then be submitted to the Office of Student and Academic Services, Room 123, Atkinson College (for Atkinson students). Students will be notified in writing of their eligibility or ineligibility.

Reversing: Students who elect to switch back to graded status can do so *up to the last date to drop the course*. Written notice must be received in the Office of the Registrar by this date, using the space provided on the eligibility letter.

Calculation of Averages and Credits. Courses taken on an ungraded basis are recorded as either P/Pass or F/Fail. They do not have grade point values so they cannot be calculated into an average. P/Pass credits are added into the total number of credits earned and credits taken. F/Fail credits are added into the total number of credits failed and credits taken.

Grade Reports and Transcripts. The ungraded option will appear as either P or F on both grade reports and transcripts.

C. Grades in Courses

1. The grading scheme (i.e. kinds and weights of assignments, essays, exams etc.) is to be announced, and be available in writing, within the first two weeks of classes.

(a) Feedback: Under normal circumstances, some graded feedback worth at least 10% of the final grade be received by students in all courses prior to the final withdrawal date from a course without receiving a grade, with the following exceptions:

- graduate or senior undergraduate courses where course work typically, or at the instructor's discretion, consists of a single piece of work (e.g. honours theses or graduate research papers not due by the drop date etc.);
- practicum courses;
- ungraded courses;
- courses in Faculties where the drop date occurs within the first 3 weeks of classes;
- courses which run on a compressed schedule (a course which accomplishes its academic credits of work at a rate of one credit hour per two calendar weeks or faster).

Note: Under unusual and/or unforeseeable circumstances which disrupt the academic norm, instructors are expected to provide grading schemes and academic feedback in the spirit of these regulations, as soon as possible.

(b) Subsequent Changes: In exceptional circumstances, a previously announced marking scheme for a course may be changed, but only with the unanimous consent of students; the new marking scheme must also be distributed in written form.

(c) In courses where percentages are used as a means of reporting grades on individual pieces of work, the following conversion table is to be used in converting percentage grades to letter grades, unless alternative provisions for scaling and/or conversion are announced to students in writing within the first two weeks of classes.

Letter Grade	% Equivalent
A+	90-100
A	80-89
B+	75-79
B	70-74
C+	65-69
C	60-64
D+	55-59
D	50-54
E	40-49
F	0-39

2. Students in the Social Work practicum AK/SOWK 4000 6.0 do not receive a course grade in the manner described above. Course work is evaluated and recorded as demonstrating one of the two following levels of performance: "credit", "no credit". Criteria for these grades are available from the School of Social Work.

3. AK/NURS 3100 9.0 and AK/NURS 4700 6.0 have a practicum component that is graded as: "pass", "fail". The grade of "pass" must be achieved for the practicum component in order to receive a grade for the theoretical component of the course. If the grade for the practicum component is "fail" then the overall final course grade is "F".

4. AK/NURS 4110 9.0 and AK/NURS 4780 9.0 do not receive a course grade in the manner described above. Course work is evaluated and graded as: "credit", "no credit" (pass/fail). Successful completion of all practicum components is a requirement in the BScN program.

Courses completed at the "credit" level are credited toward the degree, but are not included in the calculation of the degree's classification. For purposes of entry and maintenance in the Honours program a course result of "credit" is an acceptable level of performance. A course(s) with a grade of "credit" is not used when calculating grades for graduation. A course result of "no credit" is treated in the same way as failures in the general grading system described in (B) above.

Courses which are offered on an ungraded pass/fail basis only, and where the "fail grade" is to count as zero in the grade point average, will be designated as Credit/No Credit courses.

D. Academic Standing - BA, BAS, BSc, BScN and BSW Degrees: Entry, Maintenance and Graduation

Academic standing depends on several factors including the number of credits a student has passed, the Grade Point Average achieved during a particular session ("Sessional Grade Point Average"), the overall Grade Point Average ("Cumulative Grade Point Average"), and the overall Major Grade Point Average ("Major Grade Point Average").

Bachelor Degree (90 credits)

(a) Entry:

Students admitted to Atkinson College are enrolled in the Bachelor program requested.

(b) Faculty Transfers:

Students may transfer into an Atkinson Bachelor degree program provided they meet the minimum academic requirements for the program requested.

(c) Change of Major/ Degree:

Students may request to change their major/degree at any time provided they meet the minimum academic requirements for the program requested. A "Change of Major/Degree" form (available from the Office of the Registrar, West Office Building) must be completed and submitted to the Office of Student and Academic Services, Room 123, Atkinson College.

(d) Continuing in a Bachelor/Failure to Maintain Academic Standing/Re-entry into the Original Program:

Students in the BAS program who fail to maintain the cumulative GPA of 5.0 will be required to change their degree program. Such students may re-enter the program once they have attained the required GPA's for the program but not after they have completed 90 credits. A "Change of Major/Degree" form (available from the Office of the Registrar, West Office Building) must be completed and submitted to the Office of Student and Academic Services, Room 123, Atkinson College.

Students in the BA or BSc program who fail to maintain the minimum cumulative GPA of 4.0 incur academic penalties described in Section E.

(e) Graduation:

Graduating with a BA or BSc Degree: Students must pass at least 90 credits that meet Atkinson College degree and program requirements. The cumulative GPA for all courses must be at least 4.0.

Graduating with a BAS Degree: Students must pass at least 90 credits that meet Atkinson College degree and program requirements. The cumulative GPA for all courses must be at least 5.0 with a major GPA of 5.0.

(f) Additional Credits to Raise GPA for Graduation:

Students in a BA or BSc degree program who have passed 90 credits in accordance with Atkinson degree and program requirements, and whose cumulative GPA is below the requirement for graduation may attempt to raise their average by taking up to 12 additional credits, to a maximum of 102 credits. These courses must be above the 1000 level and must be taken at York University.

Honours Degree (120 Credits)

(a) Entry/Qualifying for Honours:

Students who have graduated from Atkinson College with a Bachelor degree and whose academic standing makes them eligible for Honours may pursue an Honours degree in the same major but must submit a request to do so in writing to the Office of the Registrar.

Students admitted to Atkinson College with no previous postsecondary education are automatically enrolled in an Honours program if they declare a major.*

Students admitted to Atkinson College with previous postsecondary education are enrolled in the Honours program requested.*

Continuing students are automatically considered to have Honours standing provided they achieve the minimum cumulative GPA of 5.0.*

(b) Faculty Transfers:

Students will be accepted for transfer to an Atkinson Honours program provided they have met the minimum cumulative and major GPA's for the program.*

(c) Change of Major/Degree:

Students may request to change their major/degree at any time provided they meet the minimum cumulative and major GPA's required for the program requested.* A "Change of Major/Degree" form (available from the Office of the Registrar, West Office Building) must be completed and submitted to the Office of Student and Academic Services, Room 123, Atkinson College.

**Note: There are additional entry requirements for the BSW and BScN programs.*

(d) Continuing in Honours/Failure to Maintain Academic Standing/ Re-entry into the Original Program:

Students may continue in an Honours program provided they achieve the minimum cumulative GPA of 5.0.

Students in the BA and BSc programs whose cumulative GPA's fall below 5.0 are automatically considered to be in a Bachelor degree program. If no Bachelor program is available in the discipline or if the Bachelor degree has been completed, the student will be required to change his/her major.

Students in the BAS program whose cumulative GPA falls below 5.0 will be required to change their degree programs.

Students in the BSW program whose cumulative GPA falls below 5.0 and/or the major GPA of 5.5 will be required to change their degree program.

Students in the BScN program who fall below the cumulative 5.0 GPA and/or the major GPA of 6.0 or do not achieve a minimum grade of C in all courses used in the major will be required to change their degree program.

Students who are ineligible to continue in Honours because their cumulative and/or major GPA's have fallen below the requirements may re-enter their original Honours programs if they raise their GPA's to meet the requirements by the time they have successfully completed their 90 credits. No extra courses may be taken in a subsequent session in an effort to raise their GPA's. A "Change of Major/Degree" form (available from the Office of the Registrar, West Office Building) must be completed and submitted to the Office of Student and Academic Services, Room 123, Atkinson College..

(e) Graduation:

Graduating in an Honours BA or BSc Degree: Students must pass at least 120 credits which meet Atkinson College degree and program requirements. The cumulative GPA for all courses must be at least 5.0.

Graduating in an Honours BAS or BSW Degree: Students must pass at least 120 credits which meet Atkinson College degree and program requirements. The cumulative GPA for all courses must be at least 5.0 with a major GPA of 5.5.

Graduating with an Honours BScN Degree: Students must pass at least 120 credits which meet Atkinson College degree and program requirements. The cumulative GPA for all courses must be at least 5.0 with a major GPA of 6.0 including a minimum grade of C in all courses used in the major.

Option to Graduate with a Bachelor Degree: Students registered in an Honours degree may opt to graduate with a Bachelor degree if they fulfill degree and program requirements. Students who wish to take advantage of this option should fill out the relevant form available from the Office of the Registrar, West Office Building.

E. Academic Penalties

Academic standing depends on several factors, including the number of courses a student has passed, and the sessional, cumulative and major GPA's.

Students whose academic record does not meet Faculty or program standards are subject to the academic penalties of Academic Warning, Required Withdrawal (suspension), Debarment Warning, and Debarment.

1. Academic Warning: Status given to students at the end of an academic session whose grade point average and/or number of failures place them marginally below the required standing in their Faculty or who enter the Faculty with failures or a grade point average (based on post secondary work in another Faculty or institution) below the minimum required standing. Students proceeding on "Academic Warning" must meet the conditions specified by the Faculty by the time they have taken a specified number of additional credits after the imposition of the warning or they will be "Required to Withdraw" from University studies.

If the cumulative GPA falls below 4.0 at the end of any session an academic warning is issued. Students must then achieve a cumulative GPA of at least 4.0 within the next 24 credits taken, or earn a sessional GPA of at least 5.0 in the session which the 24th credit is completed and in each subsequent session until the cumulative average reaches 4.0, or be required to withdraw for 12 months.

2. Failure to Maintain Honours Standing: Students whose grade point average falls below the required honours standing in their Faculty are not eligible to remain enrolled in the Honours program.

3. Required Withdrawal: Students on Academic Warning who fail to meet the requirements set by the faculty for "removal" of the Warning or students whose grade point average based on a specified minimum number of credits taken after admission to the Faculty or whose number of failures exceeds an acceptable number as specified by the Faculty are "Required to Withdraw" from the University for one year. Students who have not been granted a waiver of the required withdrawal must apply to have their student status reactivated in order to resume studies in a session subsequent to the period of required withdrawal.

Grade Point Average at or Below 2.5: Students who have not received an academic warning but whose cumulative GPA on at least 24 credits is at or below 2.5 must withdraw for 12 months.

4. Reactivation after Required Withdrawal: A student may apply to have their file reactivated after sitting out the requisite period of twelve months. If reactivation is granted, the student will proceed under Debarment Warning (see 5. below). Reactivation Forms are obtained from the Office of the Registrar.

5. Debarment Warning: Status given to students who continue studies after performance at York or at another postsecondary institution has resulted in a "Required Withdrawal" or its equivalent. Students proceeding on "Debarment Warning" must meet the conditions specified by the Faculty by the time they have taken a specified number of additional credits after the imposition of the warning or they will be "Debarred" from University studies.

Students on Debarment Warning must achieve a Cumulative GPA of at least 4.0 within the next 24 credits taken, or earn a sessional GPA of at least 5.0 in the session in which the 24th credit is completed and in each subsequent session until the cumulative average reaches 4.0, and then must maintain this average. Students who do not fulfill these conditions will be debarred from the University.

6. Debarment: Students on "Debarment Warning" who fail to meet the requirements set by the Faculty for continuation of studies or students whose grade point average based on a specified minimum number of credits taken after admission to the Faculty or whose number of failures exceed an acceptable number as specified by the Faculty are "Debarred" from the University for at least two years. Students who have not been granted a waiver of the debarment must apply for readmission to their programs (where permitted) through the Admissions Office in order to resume studies in a session subsequent to the period of debarment.

Students whose cumulative GPA falls below 2.5 at any time while on debarment warning will be debarred. Students who have been required to withdraw because of their unsatisfactory record and whose record does not show improvement are debarred from the University for two years. Students who wish to resume study after the debarment period must reapply for admission through the Admissions office and must provide persuasive evidence that they are ready and able to complete a university degree program.

7. Debarment warning remains in Effect: Students who have been debarred and who subsequently have been readmitted to the University once the debarment period has been served remain under Debarment Warning. Debarment rules also apply to students: (i) proceeding to a second or subsequent degree through Atkinson College; (ii) taking courses not used for graduation purposes.

8. Probation: Status given to students who are allowed to continue studies after performance at York has resulted in a "Debarment". Students proceeding on "Probation" must meet the conditions specified by the Faculty by the time they have taken a specified number of additional credits after the imposition of the Probation Status or they will again be "Debarred" from University studies.

9. Suspension: A penalty imposed for serious academic offences for a variable but limited period during which students may not be registered in the University. This penalty may be imposed only by a Faculty-level committee which has received authority to do so from a Faculty Council.

10. Rustication: A sanction terminating the right of students to continue as a student of the University permanently or for a fixed or indefinite period of time, imposed by the University Discipline Tribunal for non-academic misconduct.

F. Graduation and Academic Excellence

Atkinson College recognizes the academic excellence of its students in appropriate ways. The following honours are recorded on a student's transcript:

1. Atkinson College Sessional Academic Achievement List recognizes the outstanding achievement of the following students:

- (a) Students taking 12 - 17 credits in a given session who have attained a Sessional GPA of 8.0 or higher.
- (b) Students taking 18 or more credits in a given session who have attained a Sessional GPA of 7.5 or higher.

2. Graduating With Honours Academic Standing: Students with high grade point averages are eligible for the following honours upon graduation from Atkinson College.

- (a) Honours degree, Cumulative GPA as follows:
 - Summa cum laude, 8.0 or above;
 - Magna cum laude, 7.8-7.99;
 - Cum laude, 7.5-7.79;
 - Dean's Honour Roll, 7.0, with a minimum grade of C in all major requirements.
- (b) Bachelor's degree, Cumulative GPA as follows:
 - With Distinction, 8.0 or above;
 - With Merit, 7.5-7.99;
 - Dean's Honour Roll, 7.0, with a minimum grade of D+ in all major requirements.

G. Petitions, Grade Reappraisals, Appeals

Students are expected to familiarize themselves with these policies before taking any steps which may have costly repercussions or affect their academic progress. Ignorance of the regulations or deadlines does not constitute a valid reason for a petition. *Please refer to the University policy on Petitions and Grade Reappraisal under the University Policies and Regulations section of this Calendar.*

For further information, contact: The Office of the College Council, Room 121A, Atkinson College (416) 650-8193, Fax (416) 650-8179, e-mail: Akcouncil@mail.yorku.ca.

1. Petition: A written request for the waiver of an academic regulation or deadline. A petition cannot be used to create legislation (i.e. a degree program) that does not exist. Petitions are submitted to and considered by a student's home Faculty.

Petitions relating to a student's enrolment status in a course will only be considered if they are submitted within thirty of the last day of classes. Such petitions may be considered for a period of up to one year if they are based on special circumstances.

2. Petitions Procedures: The Committee on Awards and Petitions on behalf of the College Council considers requests for exceptions to all Faculty regulations, including petitions to continue studies without interruption in cases where a student has been required to withdraw or debarred. Petitions are held in the strictest confidence. The Committee considers the petition itself, any supporting documentation (from professors or medical practitioners) and other relevant information contained in the student's record. Students may not normally appear in person.

3. Initiating a Petition:

(i) Petitions are:

- (a) to be addressed to the Office of the Atkinson College Council, Room 121A, Atkinson College and;
- (b) to be presented in a petition form (available in the Office of the Atkinson College Council) or in the form of a letter in which the following information is supplied: name, student number, specific request, grounds, and relevant original supporting documentation such as medical certificates, letters from employers etc. Students' petition letters regarding their standing in a course must be accompanied by a Course Performance Summary Sheet filled out by the Course Director for consideration by the relevant Faculty petitions committee.

(ii) When a petition appears to be complete and has been processed by the Office of the College Council, it will be heard at the next regular meeting of the Committee on Awards and Petitions.

(iii) Students will be notified in writing of the decisions made on their petitions.

4. Appeal: A written request for the alteration of the decision taken on a petition or a grade reappraisal generally made to the same level but to another person, panel or committee.

5. Leave to Appeal: Permission to appeal the correctness of a decision rendered on a petition or an appeal based solely on the grounds of either new evidence or evidence of procedural irregularity.

6. Grade Reappraisal: The re-evaluation of tangible work and the grade assigned to it. Tangible work may include written, graphic, digitized, modelled, video recording or audio recording formats, but not oral work.

Note: Students need to be aware that a request for a grade reappraisal may result in the original grade being raised, lowered or confirmed.
