*At a joint meeting, held on January 14, 1999, the executive committees of the Board of Governors and the Senate agreed to recommend to their respective bodies that they endorse the new York University mission statement. It was endorsed by the Senate at its meeting on January 28, and by the Board of Governors on February 22, 1999.*

*These endorsements validated a shared vision of the University's mission and values as it completes its 40th year and prepares for the challenges and opportunities of the future. The mission statement is intended to provide a sense of common direction and aspiration for the University's governing bodies and for all members, alumni and friends of York.*
