Contract Appointments/ Enseignants Sous Contrat

York University is fortunate to be able to draw from the community of Metropolitan Toronto and district many qualified people willing to serve the University as contract faculty. Many have long-standing connections with the University, and play important roles in the academic programmes of the various departments and Faculties. Contract faculty who have taught at York for five or more years were invited to have their names included in this publication.

L'Université York est heureuse de pouvoir bénéficier des services d'un grand nombre de personnes engagées sous contrat vivant dans la communauté de Toronto et qui apportent à l'Université leurs qualifications et leurs connaissances. Nombreux sont les enseignants qui jouent ainsi un rôle important depuis des années au sein de leur département et faculté. Les personnes qui ont ainsi enseigné à York pendant cinq ans ou plus sont invitées à inscrire leur nom ci-dessous.
