VII. Financial Services, Scholarships, Bursaries, Awards and Prizes

The office of Student Financial Services is responsible for:

- The administration of scholarship and awards programs for undergraduate and graduate students.
- Serving as the principal point of contact for students applying for OSAP loans and grants.
- Providing assistance to students who are experiencing financial difficulties.
- The administration of all aspects of students' financial accounts with the University.
- The administration of Work/Study, Research at York and Service Bursary programs.
- Providing online (Web) tax receipts (T2202A and T4A) for students.

Our students are served through information posted on the Web (<http://www.yorku.ca/osfs/>), by phone at 416-872-9675 or in person at Student Client Services in the Bennett Centre for Student Services.

Academic Fees

Academic fees for undergraduate students are assessed on either a per credit or per program basis (see Academic Tuition Fee Categories below). Fees and refund tables for each academic session are posted on the Web. It is the responsibility of students to make themselves aware of changes in fees and financial penalties associated with dropping courses.

A current schedule of academic fees can be found at <http://www.yorku.ca/osfs/fees/>.

Supplementary Fees

The Ontario Ministry of Training, Colleges and Universities permits universities to charge supplementary fees in addition to regular tuition fees. At York, there are three types of supplementary fees: a) those which are centrally collected and are part of the tuition fee; b) those approved by student referenda; and c) associated course fees. The procedures and policies which govern associated course fees differ from those which govern tuition and supplementary fees.

- Centrally collected:** supplementary fees covering athletics/recreation, counselling, and cultural and special services are permitted and are included in tuition/program fees.
- Approved by student referenda:** supplementary fees approved by student referenda are included in the per credit fee for tuition.
- Associated course fees:** fees for work-term placements, learning materials or special clothing retained by the student, and production material for items which become student property, may be listed on your student account statement, or may be charged locally.

If you have any questions about whether a particular supplementary fee falls into one of the above categories and can be charged in addition to your tuition, first contact the Chair of the department or unit charging the fee. If, after having done so, you wish to pursue the matter further, please address your concerns to Student Client Services. See the Web for their current address at <http://www.yorku.ca/scsweb/>.

(In accordance with Canada Revenue Agency regulations, the supplementary fee component of a tuition fee payment and any course material fees cannot be included in the tuition tax credit, and therefore are not captured on the T2202A Tuition and Education Credit Certificate (see Tuition and Education Credit Certificate).

Academic Tuition Fee Categories

There are two academic tuition fee categories at York University: (a) the domestic tuition rate, which is charged to students who are specifically exempted by the government of Ontario regulations from the international student charge; and (b) the international tuition rate charged to students who are not so exempted, or who are unwilling or unable to provide documentary proof of exempted status to the Registrar's Office.

Information on the interpretation of eligibility for exemption, tuition rate reassessment, deadlines for submitting documents, or changes of status in Canada, must be confirmed by the Registrar's Office.

Fees may also vary depending on the Faculty, program or course selections, or on the year of entry into a particular program of study.

A) Domestic Tuition Rate

You are eligible for the domestic tuition rate if you fall into one of the exempt categories listed below and are able to give satisfactory proof of your status to the Registrar's Office by the following deadline dates:

Note: All changes or corrections to your tuition rate on your York record must be done before the deadline dates below. Any changes or corrections made after these dates will only be applicable to the next term or session and will not be retroactive to any previous term or session.

Fall/Winter session

October 31 - deadline for reassessment at the domestic tuition rate for the complete fall/winter session.

January 31 - deadline for reassessment at the domestic tuition rate for the winter term only of the fall/winter session.

Summer session

June 30 - deadline for reassessment at the domestic tuition rate for the complete summer session.

July 16 - deadline for reassessment at the domestic tuition rate for certain summer session courses which begin later in the session, e.g. July 2. Questions regarding specific courses should be directed to the Registrar's Office.

If you wish to be considered for exemption under one of the approved categories, you must contact the Registrar's Office regarding the official documentation necessary to support such a request. Original documents must be presented. Photocopies of documents are not accepted. All documents presented in support of consideration for exemption, or if requested as proof of status, must be submitted to the Registrar's Office, before payment of academic tuition.

If you are unable to provide the required documentation before paying your academic tuition, you are required to pay at the international tuition rate.

In order to retain an exemption for a subsequent term or session, you may, at a later date, be required to submit supplementary or new documents to prove that your status has been maintained.

If you present acceptable documentation for exemption from the international tuition rate, and this documentation contains an expiry date, it is your responsibility to bring updated documentation to the Registrar's Office no later than 10 working days after the expiry date on the original documentation. This must be done to maintain your exemption.

Certain exemption categories specify that both the person who has the status, and his/her dependants, are eligible for exemption from the international tuition rates. The definition of a "dependant" of a person includes his/her:

- spouse
- unmarried child, or
- spouse's unmarried child.

The dependent status must be fully documented, the dependant status must have been established a minimum of three years prior to the student's application for exemption, and this status continuously maintained to the date of application for exemption.

Note: The exemption categories are subject to change at any time on the decision of the government of Ontario and on the approval of the Board of Governors of York University.

International tuition fee exemption categories:

- a citizen of Canada within the meaning of the *Citizenship Act* or a person registered as an Indian within the meaning of the *Indian Act*;
- a student who is the legal dependant of a Canadian citizen may be exempted from the international tuition rates. Documentation must be provided which verifies that the dependant status, e.g. by marriage or adoption, was instituted a minimum of three years prior to the deadline

dates and that this status was continuously maintained to the date of application for exemption;

(iii) a person officially recognized by Citizenship and Immigration Canada as a permanent resident in Canada;

(iv) a student who is the legal dependant of a permanent resident may be eligible for exemption from the international tuition rates. Documentation must be provided which verifies that the dependant status, e.g. by marriage or adoption, was instituted a minimum of three years prior to the deadlines and that this status was continuously maintained to the date of application for exemption;

(v) an applicant for permanent resident status, provided the applicant has met all the preliminary requirements for the granting of that status, and provided the applicant obtains an official statement from Citizenship and Immigration Canada which confirms this;

(vi) a student who is the legal dependant of an applicant for permanent resident status (as outlined in category (v)) may be exempted from the international tuition rates. Documentation must be provided which verifies that the dependant status, e.g. by marriage or adoption, was established a minimum of three years prior to the deadline dates and was continuously maintained to the date of application for exemption;

(vii) a person who is admitted to and remaining in Canada, with official accreditation from the Canadian government, to carry out official duties as a diplomatic or consular officer; or as a Canadian government-accredited representative or official of a country other than Canada, of the United Nations or any of its agencies, of any intergovernmental organizations of which Canada is a member; or as a dependant or a member of the staff of any such diplomat, consular officer, representative or official accredited to Canada by the Canadian government; or a member of a foreign military force or of a civilian component thereof admitted to Canada under the Visiting Forces Act or any dependants of such personnel.

Note: a student who has been exempt under this category, but whose exemption status changes during the course of his/her program due to circumstances beyond the student's control, continues to be exempt from the payment of international student tuition for the duration of the program of study in which the student is registered at the time of the change in status. Contact the Registrar's Office regarding official documentation required;

(viii) a person and his/her dependants, who is officially recognized by Citizenship and Immigration Canada as admitted to and remaining in Canada for the purpose of employment. This category excludes graduate teaching and research assistants;

(ix) a person and his/her dependants, who is officially recognized by Citizenship and Immigration Canada as a Convention Refugee;

(x) a person and his/her dependants, who is a refugee claimant in Canada, only if the claim for refugee status was made to Citizenship and Immigration Canada before January 1, 1989;

(xi) a person who is a participant in an Ontario government sponsored exchange agreement.

B) International Tuition Rate

As the result of a policy decision made by the government of Ontario, all non-exempt international students in an undergraduate program of study are subject to the international tuition rate.

Note: All changes or corrections to your tuition rate on your York record must be done before the deadline dates below. Any changes or corrections made after these dates will only be applicable to the next term or session and will not be retroactive to any previous term or session.

Fall/Winter session

October 31 - deadline for reassessment at the domestic tuition rate for the complete fall/winter session.

January 31 - deadline for reassessment at the domestic tuition rate for the winter term only of the fall/winter session.

Summer session

June 30 - deadline for reassessment at the domestic tuition rate for the complete summer session.

July 16 - deadline for reassessment at the domestic tuition rate for certain summer session courses which begin later in the session,

e.g. July 2. Questions regarding specific courses should be directed to the Registrar's Office.

International Students and the University Health Insurance Plan (UHIP)

International students who register in courses and attend York University are automatically enrolled in the mandatory University Health Insurance Plan (UHIP). Students can opt out only if they have comparable coverage under a limited number of pre-approved plans and should contact York International directly before purchasing alternate coverage. UHIP provides comprehensive medical coverage for students and eligible dependents who accompany them to Ontario.

The cost of the plan is based on the length of coverage and number of dependents. The premium charged is in addition to academic fees and is posted to the student's account. To receive proof of coverage, students must apply to York International, 108 Vanier College, at the beginning of each academic year. For further details, please visit the Web at <http://www.yorku.ca/yorkint/uhip/>, call 416-736-5028 or e-mail uhip@yorku.ca.

Methods of Payment

Students are encouraged to pay their fees and other charges (e.g. residence and meal plan) through electronic methods such as Web or telephone banking. For complete information, please refer to the Web at <http://www.yorku.ca/osfs/howtopay/>.

Outstanding Academic Debts

York University Senate policy stipulates that graduation privileges, enrolment, transcript requests etc. be withheld from any student until all outstanding financial liabilities to the University are settled.

Undergraduate students with an outstanding balance of \$75 or more will be blocked from enrolling in courses at the University. In addition, certain sanctions are in place throughout the year such that academic and administrative services are withheld until the liabilities to the University are settled satisfactorily. For further information, please refer to the Web at <http://www.yorku.ca/osfs/>.

Tuition and Education Credit Certificate

In accordance with Canada Revenue Agency regulations, the University provides Web copies of the Tuition and Education Credit Certificates for eligible students by the end of February each year. Forms are posted to the Web where students can print copies as needed. These forms are not mailed to students. Entitlements are based on the calendar year rather than the academic year. For further details on these tax forms, please see the Web at <http://www.yorku.ca/osfs/taxforms/>.

Eligible Tuition Fees

Only direct tuition fees are eligible for the tuition tax credit. Both the supplementary fees and any course material fees you pay are not eligible and will not be included in the receipt.

Education Benefit: Months in Attendance

In order to be eligible for the education benefit in any month, a student must be registered for at least part of the month.

For information concerning eligibility and entitlement, as well as other aspects of income tax requirements, please consult the Canada Revenue Agency's Web site, or contact your local Canada Revenue Agency office.

Residents of Quebec: York does not routinely distribute the Certificate Respecting the Exemption for Full-time Post-Secondary Studies (TP-697V) required by Revenu Québec. Quebec residents attending York who

require this form in order to complete an income tax return should contact Glendon Student Financial Services at 416-487-6701 for assistance.

Service Charges

Late charges are calculated monthly on outstanding student account balances. For complete information, please refer to the Web at <http://www.yorku.ca/osfs/othercharges/>.

Scholarships, Bursaries, Awards and Prizes

General Information

Financial assistance is available to York University undergraduate students from a variety of sources, such as government assistance programs, York University specific awards and awards from external organizations. York University offers undergraduate students entrance and in-course scholarships, prizes and medals in recognition of scholastic achievement. A number of additional awards and bursaries are also offered to recognize community involvement, leadership or assist students with demonstrated financial need. Awards are funded by the University or donated by corporations, associations and private individuals. All awards listed are subject to change without notice. An award search database is available on the Student Financial Services Web site. However, there are some scholarship and bursary funds available to international students. For further information, students should contact the York International Office, 108 Vanier College, telephone 416-736-5177.

Entrance Awards

York University Entrance Scholarships

Donor: York University

a) York University offers **President's Scholarships** to those secondary school applicants entering a first-year daytime undergraduate program with the highest entrance averages. These awards are renewable for up to

four years of undergraduate study, provided the student maintains the required academic standing. The required academic standing for renewability is a grade point average of 7.8 in all Faculties. Scholarships are renewed based on the sessional grade point average and once lost cannot be regained.

b) The **York University Renewable Entrance Scholarships** are awarded to secondary school applicants entering a first-year undergraduate program who complete the Ontario Secondary School Diploma and six Grade 12 U or M courses (or its equivalent), including Grade 12 U English and all Faculty-specific prerequisites, with high academic standing. To renew the scholarship, students must have achieved a cumulative grade point average of 8.0 in a minimum of 24 credits in the previous fall/winter and summer sessions.

c) York University offers **Faculty of Fine Arts Talent Awards** to applicants entering a first-year daytime undergraduate program in the Faculty of Fine Arts who demonstrate exceptional talent in their chosen field of study.

d) **Science and Engineering Scholarships** are offered to outstanding students entering the first-year of study in the Faculty of Science and Engineering.

e) **Provost's Awards** are offered to community college applicants who present high academic standing.

f) Glendon offers five **Quebec Entrance Scholarships** to applicants who have completed two years of CEGEP, have graduated with a diploma, have high academic standing and are entering a second-year program of study at Glendon.

The Governor General's Awards of Distinction

The Governor General's Awards of Distinction are York University's most prestigious undergraduate entrance scholarships. These awards were established to recognize exceptional academic achievement and individual accomplishment among entering undergraduates. Candidates must be students in their final year of study in a secondary school who will be seeking admission into first-year undergraduate study at York University in any discipline. They must possess an outstanding scholastic record and will have other accomplishments—such as community service, achievement in arts or sports, or excellence in other areas of individual endeavour—which demonstrates the wholeness of the person and grace of character. The application form is available from secondary school guidance offices, York's Scholarships and Bursaries unit of Student Financial Services and on the York Admissions Web site at <http://www.yorku.ca/web/futurestudents/>.

Governor General's Award of Distinction: Alumni Awards of Distinction

Donor: York University Alumni Association

The York University Alumni Association (YUAA) is committed to providing goods, services and programs that facilitate the life-long process of education and personal development for all York graduates. The YUAA is equally committed to advancing the interests of York University itself. Whether the activity be in the form of advocacy, counsel, philanthropy or any other form of volunteer assistance, the graduates of York University have a unique and valuable role to fill in promoting the excellence, welfare and prestige of the University. Two Alumni Awards of Distinction are awarded annually.

Governor General's Award of Distinction: The Betty Jean and John M. Bankes Entrance Scholarship

Donor: John M. Bankes and Family

This award has been made possible through the generosity of John Bankes, a member of the University's Board of Governors, and that of his family. The award honours their parents for their long-standing encouragement to family and others to pursue higher education. The Betty Jean and John M. Bankes Entrance Scholarship will be granted once every four years.

Governor General's Award of Distinction: Bruce Bryden Entrance Scholarship

Donor: Board of Governors Colleagues, Family and Friends of the late Bruce Bryden

Bruce Bryden (1942-1992) was a member of York University's first class of students in 1960, later graduating in the Glendon class of 1964. Bruce was a tireless volunteer leader whose legacy and personal qualities will always be celebrated. In 1965, he was elected as founding president of the York University Alumni Association. Subsequently, he became the first York graduate to be appointed to the University Senate, and then in 1971 to the Board of Governors, where he served for 20 years. Ultimately he set high standards as the Chair of the Board from 1982 until his untimely passing. Bruce Bryden was devoted to the entire University, modestly but genuinely proud of its many exceptional achievements. Typical of Glendon graduates, he cherished not only his student memories at Glendon but also the history, warmth, beauty and feelings of this campus as a special place. The Bruce Bryden Entrance Scholarship will be granted once every four years.

Governor General's Award of Distinction: John S. Proctor Entrance Scholarship

Donor: Friends and Colleagues of John S. Proctor

This award honours John S. Proctor, former chancellor and Chair of the University's Board of Governors, and also commemorates the University's 25th anniversary. It has been made possible by the generosity of past and present members of the board. John S. Proctor was a banker, tennis champion and philanthropist who served on York's Board of Governors for many years and eventually became chancellor in 1982. Mr. Proctor rendered untold hours of service to York University. He became a model of excellence and was recognized for his personal integrity, graceful counsel and wise leadership. The John S. Proctor Entrance Scholarship will be awarded annually.

Governor General's Award of Distinction: Murray Ross Entrance Scholarship

Donor: Dr. Murray G. Ross

Murray G. Ross, a native of Nova Scotia, received his university education at Acadia University, the University of Toronto, the University of Chicago and Columbia University. He has been a member of the academic staff of the University of Toronto and served as its vice-president from 1957-1960. In 1960, Dr. Murray G. Ross became the president of York University. It was his insight, commitment and leadership which helped to build the University. This award honours York students who share these qualities. The Murray Ross Entrance Scholarship will be granted once every two years.

Awards of Distinction Merit Scholarships

These scholarships are awarded to applicants short-listed for the Awards of Distinction. Refer to the criteria listed above.

Ray and Joe Abramson Award in Mathematics and Statistics

Donor: Blanca Abramson and Professor Morton Z. Abramson

The award will be given annually to a student entering first year in a major program within the Department of Mathematics and Statistics, who is a Canadian citizen, permanent resident or protected person, a resident of Ontario, and who demonstrates financial need. Candidates must have a demonstrated record of extracurricular involvement in a math-related club and/or activity. Should there not be a suitable first-year candidate, the award will be given to an upper year mathematics and statistics student who has demonstrated a record of extracurricular involvement in a math-related club and/or activity. This award commemorates the parents of Professor Morton Abramson, who retired in 2004 after 37 years at York University. It is created as a tribute to Professor Abramson's wide-ranging contributions to student and faculty life in the Department of Mathematics and Statistics, at York University, and within the wider community.

Alexander Lithographers Award

Donor: Alexander Lithographers

As a friend and supporter of York University since its inception, Alexander Lithographers has witnessed the evolution of the University from its modest beginnings at the Glendon campus in 1959 to its current status as a renowned Canadian university. The Alexander Lithographers Award has been established to provide an annual award to a deserving secondary school student entering a first-year program at York University. The successful applicant must have a minimum 85 per cent average at the time of admission to York, demonstrate financial need, be a Canadian citizen, permanent resident or protected person and be a resident of Ontario.

Tom Arnold CPMEA Entrance Scholarship

Donor: CPMEAs

This award will be offered to a secondary school student entering the first year of a direct entry program at York University from a high school in the York Region, inclusive of the municipalities of Aurora, East Gwillimbury, Georgina, King, Markham, Newmarket, Richmond Hill, Vaughan and Whitchurch-Stouffville, who is a Canadian citizen, permanent resident or protected person, a resident of Ontario and who demonstrates financial need. Applicants must have a minimum final admission average of 80 per cent (or equivalent) to be considered.

Harry W. Arthurs Alumni Entrance Scholarship

Donor: York University Alumni Association

The York University Alumni Association has established the Harry W. Arthurs Alumni Entrance Scholarship in commemoration of the achievements of Harry W. Arthurs, president of York University from 1985 to 1992, and in celebration of the 30th anniversary of York University. President Arthurs' unflinching commitment to building excellence into the University's academic, social, cultural and physical development was fundamental in shaping its identity and direction. This award will be given to a student seeking admission into the first year of undergraduate study. To apply, candidates must be children or grandchildren of graduates holding a York University degree; be eligible for a York University Entrance Scholarship; and have a demonstrated record of participation and leadership in extracurricular student life.

Atkinson Faculty of Liberal and Professional Studies Entrance Scholarship

The York University Senate has provided Atkinson with Entrance Scholarships every year. The scholarships are awarded to selected applicants newly admitted to Atkinson who are: pursuing their first degree programs; mature (21 years and over), college or university transfer students; or are students under 21 years old who do not have access to other York entrance scholarships such as the Provost, York Entrance Scholarships, e.g. students who graduated from high school at least two years prior to admission to Atkinson and have not attended a postsecondary institution since; and students who demonstrate high academic potential through their previous academic/work/community and life experience.

Avie Bennett Awards

Donor: Avie Bennett

These awards are available to students entering their first year of full-time undergraduate study at the University who are applying from a permanent residence in the City of Brampton (Ontario), who are Canadian citizens, permanent residents or protected persons, who have demonstrated financial need, and who have a minimum 75 per cent average at the time of admission to the University.

Avie Bennett Visionary Leadership Scholarship

Donor: Avie Bennett

These awards will be available to students entering their first year of full time undergraduate study at the University who are applying from a permanent residence in the City of Brampton, who are Canadian citizens or permanent residents, who have demonstrated financial need, and who have a minimum 80 per cent average at the time of admission to the

University. The students must also have a proven commitment to service and society, and a desire to continue that service as a leader while at York. The award is renewable for a maximum of four years on an annual basis provided the recipient has maintained a minimum grade point average of 7.8, continues to demonstrate financial need, and has a successful annual review of their new leadership project at York. A York Visionary Leadership Award is one of the most distinguished and celebrated awards that York provides selected incoming students. The key focus of York's Visionary Leaders will be to "find the difference that makes a difference" during their academic studies at York. They will do this by defining and implementing a forward-looking vision for service leadership as a full-time student at York. Students' projects will focus on service leadership in all its styles, and can be developed in areas as diverse as improving student life at York, using the expertise of their academic discipline to serve the community, or contributing to the needs of special populations or communities with special challenges. Examples of projects could be as varied as:

- A communications project to promote tolerance and respect for diversity on campus.
- A peer financial consulting service for new students.
- A performing arts project to raise funds for musical instruments and offer free lessons in the community.
- A mentoring program to work with students on First Nations reserves to help aboriginal students build their experience and eligibility for financial assistance to attend university.
- A young writers project to organize and find sponsors for an annual Canada-wide poetry writing competition for university students.
- A health promotion project to develop a smoking cessation program for York students.

York Visionary Leaders will work on their projects with the support of a mentoring team, spending the first one to two years developing the vision and plan for their leadership project and the last two to three years implementing the project.

Value of the Award:

Each Visionary Leadership Scholarship is worth a total of \$38,000 over four years. Each recipient will receive as part of the award:

- Financial support for tuition and living expenses (\$9,000/year for 4 years).
- Reimbursement of approved project costs (Up to \$500 per year, depending on your project's needs and a review of the budget you submit to the Vice-President Students, with an overall maximum of \$2000).

The Chancellor Bennett Entrance Awards for the Westview Partnership

This award is available to students from Westview Centennial Secondary School, C.W. Jeffreys Collegiate Institute, Emery Collegiate Institute, James Cardinal McGuigan and North Albion Collegiate who are entering a direct-entry undergraduate program who have made a contribution to student life in their secondary school or community. Students must have achieved a minimum admission average of 75 per cent and be Canadian citizens, permanent residents or protected persons and residents of Ontario who demonstrate financial need. This award is renewable for a maximum of four years. Recipients of a renewable award must maintain a cumulative grade point average of 6.0 and participate in mentoring programs offered in local community schools to support and encourage younger students to persist in their current studies and pursue postsecondary education. Eligible candidates must complete the Student Financial Profile available at <http://www.yorku.ca/sfp/>. Students with permanent disabilities have the option of completing the paper application available from campus service providers.

Barbados Canadian Friendship Scholarship

Donor: Dr. Avie Bennett

The Barbados Canadian Friendship Scholarship will be given annually to a student entering the first year of full time undergraduate study at York University who demonstrates a clear and compelling passion for, and a history of working with, the Barbadian community or the Barbadian-Canadian community. Applicants must have a minimum admission average of 80 per cent and must demonstrate financial need.

Bethune College Lexicon Award

Donor: Bethune College Lexicon Foundation

Founded by the undergraduate students of Norman Bethune College and supported by college members, this award is available to a student entering their first-year of any full-time undergraduate program at York University. Candidates must have a demonstrated record of involvement within their high school or community, and will be assessed on the basis of potential community involvement at Norman Bethune College (e.g. with science clubs etc.). The application deadline date is August 1st.

York Business and Professional Alliance Bursary

Donor: Friends of York Business and Professional Alliance

The York Business and Professional Alliance's principal aim is to provide a meaningful link between York University and the business community in the greater Toronto area. This bursary, established by contributions from the small to medium-size business sector, is to be awarded to undergraduate students requiring financial assistance. The recipients must be Canadian citizens, permanent residents or protected persons, be Ontario residents and must demonstrate financial need.

York International Internship Award

The York International Internship Award (YIIA) is automatically offered to students selected for the York University Internationally Oriented Internship Program. This award is designed to assist students in meeting part of the expenses incurred while pursuing the designated internationally oriented internship positions. The York University Internationally Oriented Internship Program is designed by the Office of the Associate Vice President International to provide York University undergraduate students, and in some instances graduate students, an opportunity to apply academic knowledge to the international professional work environment and enhance job-related skills in an international/intercultural setting.

York International Mobility Award

In accordance with the York Internationalization Strategy, the York International Mobility Award is intended to further and promote the internationalization of York University through financial support for registered York students who show that financial need is a barrier to participating in international education mobility programs. Students may apply for the YIMA once they have been accepted to any of the approved program opportunities. Students may contact York International for further information.

The York-Sweden Exchange Bursary

The York-Sweden Exchange Bursary is available to a full-time registered degree-seeking student, who is nominated to one of York's university-wide exchange programs with a partner in Sweden and who demonstrated that financial need is a barrier to participation. First consideration for the award will go to a student selected for exchange with the Umea University, Umea, Sweden. Students selected for York's other Swedish exchange programs will be considered if there is no student nominated for Umea or the student nominated for Umea does not show need.

York University Alumni Bursary Endowment

Donor: York University Alumni Association

The interest on a fund established by the York University Alumni Association provides assistance for needy undergraduate students of good standing who satisfactorily demonstrate financial need. While neither a legal nor a moral obligation for repayment exists, it is hoped that each recipient may contribute to the Alumni Fund when in a financial position to do so.

York University Black Students' Alliance Scholars Award

Donor: York University Black Students' Alliance (YUBSA)

The York University Black Students' Alliance (YUBSA) through its fundraising efforts have created this award to assist a continuing undergraduate student with a minimum cumulative grade point average of 7.0 (B+). The recipient must be a visible minority of African descent, dedicated at least one year of service to the York University Black Students' Alliance and demonstrate financial need.

York University Faculty Association Bursaries
